

Ministry of Welfare

Uttar Pradesh

Respected Sir,

We are pleased to introduce ourselves as a Market Leader in Inverter & Battery Segment with over 26 years of experience & strong presence in Indian Market.

We have made a mark in Solar Industry with our best-in-class products. We cater Solar Market need with following range of products :-

- Solar PV Panels (3W to 250W)
- Solar Hybrid Home UPS (500VA , 850VA & 1500VA)
- Solar PCUs (1KW to 100KW)
- Charge Controllers & Retrofit Solutions
- Back-up LED
- LED Lantern
- Solar Home Lighting System
- Solar CFL Inverter
- Solar DC Fan

We wish to express our keenness to get associated with you and explore business opportunity where we can add value to support Solar Energy Initiative drive under your leadership & guidance.

Hence, we request you to please give us an opportunity to present ourselves to you & respective members to share our products & services in detail.

Jai Shree Balaji Hi - Tech India Pvt. Ltd., Lucknow is authorised partner from Luminous as business interface for all the concerned departments under your leadership.

Looking forward to your kind guidance & support.

Sincerely Yours,

Samosh Kumar
